Sir:

In response to the Office Action ("OA") dated February 10, 2004 in connection with the above-identified patent application please consider the following Amendments and Remarks.

Applicant's representative thanks the Examiner for the courtesy of the telephone interview on August 23, 2004. As discussed in that interview, this Supplemental Amendment and Reply Under 37 C.F.R. § 1.111(a)(2) replaces the Amendment and Reply Under 37 C.F.R. § 1.111 filed on August 10, 2004. As also discussed in that interview, the Examiner will consider this Supplemental Amendment and Reply Under 37 C.F.R. § 1.111(a)(2) in response to the Office Action issued February 10, 2004.

Applicants submitted concurrently with the Amendment and Reply Under 37 C.F.R. § 1.111 filed on August 10, 2004 a Petition for Extension of Time for three months, to and including August 10, 2004, accompanied by the required fee. It is not believed that extensions of time or other fees are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 19-0036.
